“Volunteerism is an instrumental part of the AHEPA and Daughters of Penelope’s mission as the organizations rely on volunteers to not only engage people to become involved in philanthropic, educational, and charitable activities but also to serve as a bridge to foster

enhanced relations between countries, sometimes in a Track Two diplomacy role or through people-to-people ties. The Daughters of Penelope continues to be a proud sponsor of Ideagen and its programming. I thank all of our Daughters of Penelope volunteers and the Maids of Athena and Sons of Pericles members who helped volunteer for the Summit,” said Grand President Treppiedi.
