Meals on Wheels

Daughters of Penelope Charitable Foundation

The monies were donated to the DOP Charitable Foundation.

The stipulation of the estate was that the monies were to be used to support programs that assist elderly.

The Daughters of Penelope have been donating to Meals on Wheels for the past three years.

IMPACT OF NATIONAL PHILANTHROPY

- ▶ Collective donations demonstrate the collaboration of the Sisterhood to support the causes we believe in.
- ▶ The larger the amount the check is written for, the better the recognition for the Daughters of Penelope as an international organization.
- ▶ We as a Sisterhood want to make the greatest positive impact to support and sustain the worthy causes that were chosen while promoting our organization.
